

The **Namibian Uranium Institute** in association with the **Ear Institute Namibia** has the pleasure to cordially invite you to attend the following workshop:

Audiometrician Full Course 2018

**Presenters: Professor René Hugo
and Charné Bingham**

This comprehensive 3 day Audiometrician certificate course seeks to address particular needs in the industry related to hearing health. The course will enable participants to work within the scope of practice of audiometricians: the determination and evaluation of the range, nature and degree of a person's hearing by means of electro acoustic instrumentation and observation methods within the framework of a hearing health (conservation) team in industry. The outcome of this course is to generate acceptable and repeatable audiograms according to the SANS10083:2004 guidelines.

The course will be accredited by the HPCNA for CPD points. Successful candidates will receive a certificate.
