

The **Namibian Uranium Institute** in association with **Mignon van der Westhuizen** have the pleasure to cordially invite you to attend the following workshop:

Spirometry Refresher Course 2023

Presenter: Mignon van der Westhuizen

The 1 day Spirometry Refresher Course is for successful students who have completed a comprehensive spirometry course. Students who provide a copy of their Spirometry competency certificate dated 1 January 2005 or later may register for the Refresher course.

Students must bring 5 samples of spirometry test from their on-site workplace spirometer to be assessed for quality. Please ensure that subject confidentiality is adhered to on submission of these sample tests.

The course will be accredited by the HPCNA for CPD points. Successful candidates will receive a Certificate.

Saturday, 11th March 2023, 08h00 to 16h00

Training Centre at the Namibian Uranium Institute

- **Costs for the course: N\$ 2 185.00 incl. VAT (Price is subject to change depending on flight costs)**
