

**The *Namibian Uranium Institute* cordially invites you to the following training course:**

## **Radiation Safety Officer's Course - Part III**

**Presenters: Dr. Detlof von Oertzen and Dr. Gunhild von Oertzen**

This 5-day course is the third and last part of our Radiation Safety Officer training. The course deals extensively with the Atomic Energy and Radiation Protection Act, the Radiation Protection and Waste Disposal Regulations, as well as the planning, and implementation of the Radiation Management Plan.

Further on the course will deepen the knowledge of the first and second part of the course and will enable the participant to pursue a career in Radiation Safety Management.

***Wednesday to Friday, 22<sup>nd</sup> – 24<sup>th</sup> November 2023, 08h30 – 17h00***

**Training Centre at the Namibian Uranium Institute, Swakopmund**

- Costs for the course: N\$ 12 178.50 incl. VAT
- Required number of candidates: 5
